

YOKE

Join body and sleeves as follows: With A and 6 mm circular needle, work 24 (25) 26 (27) 29 sts right front (beg with P st). Slip next 8 (8) 9 (10) 10 sts of body to st holder. K 32 (32) 33 (34) 34 sts across first sleeve. K 47 (51) 53 (55) 57 sts across back. Slip next 8 (8) 9 (10) 10 L sts of body to st holder. K 32 (32) 33 (34) 34 sts across second sleeve. Work 24 (25) 26 (27) 29 sts left front (end with P st) => 159 165 (171) 177 (183) sts. Work pattern from **chart** (different chart for 2 or 3 colours) and dec as shown. Change to shorter needles when rnd gets tighter. When pattern is complete there are => 55 (57) 59 (61) 63 sts left.

NECKBAND

Change to 4½ mm needles, with A knit 1 rnd and dec evenly spaced on rnd 0 (2) 2 (4) 4 sts => 55 (55) 57 (57) 59 sts on needle. Cast off first P st, work *K1, P1* rib, cast off last P st. Now work back and forth, 6 cm rib. Cast off.

FINISHING

Graft underarm sts together. Weave in loose ends but pull the ends by the P st chain to RS. Sew across the ends at the same time as you sew by machine with straight, small stitches, twice into each chain of P sts up body front.

Rinse carefully by hand in lukewarm water and lay flat to dry.

Cut between sewn rows front opening. Sew zipper under front edge twice with thread in matching colour. First from RS where edge is folded, then slip stitch edge of zipper from WS. Fold neckband in half to inside and slip stitch in place, hiding the fabric end of zipper.
