

Pony **ROSEWOOD** Interchangeable Knitting Pin Set

A great set for the knitting enthusiast, a perfect start for the beginner and a most valuable gift for the experienced.

And because beautiful knitting projects deserve luxury Rosewood needles, this set includes a collection of the most popular Pony Rosewood knitting needle sizes offering a highly flexible and adaptable range providing many different configurations. The neatly organised hand crafted fabric case holds all the needles and accessories securely in one place.

Pony Rosewood knitting needles are manufactured of the finest South Indian rosewood, a natural raw material from sustainable vegetable products, providing strength and durability as well as a smooth working surface. The warm, lightweight Pony Rosewood needles are individually handcrafted with a smooth and silky topcoat making knitting a real delight. They have a long taper and true tension points preventing the yarn from splitting.

Pony Rosewood Needles - The queen of knitting needles and an attractive alternative to standard needles making knitting a real delight and a great gift for everyone.

Pony **ROSEWOOD** Interchangeable Knitting Pin Set

Case includes:

8 different pairs of shanks	Sizes (mm)	3.5	4.0	4.5	5.0	5.5	6.0	6.5	7.0
	(U.S)	4	6	7	8	9	10	10.5	

3 flexible and pliable cables	Length (cm)	40	60	80	circular
	(inch)	16"	24"	32"	

2 colour coded connectors black to fit thick cable, gold to fit thin cable

2 pairs of colour coded knobs

1 knitters gauge

The cables can be effortlessly attached and detached from the shanks and you can make 8 pairs of flexible knitting pins – an added bonus!

The connectors allow you to connect one or more cables together to create a longer working cable, while the end knobs allow you to use a cable as a stitch holder or single-pointed needle.

To assemble

Twist colour coded end of shank on to matching colour connector (as illustrated above) at each cable end until fully secure to begin creatively knitting

When you have finished, detach the shanks by unscrewing them in a Counter clockwise direction

Extending the cable length is easy

Choose 2 Cables of the Same thickness (not necessarily the Same length) and attach ONE end of each cable to your desired Pairs of shanks as illustrated

To extend the cable length, simply connect the appropriate connector to the unattached ends of the two cables to form an extended & exciting new needle length
